

Going Green

According to Mike Anthony, what's one of the greatest things about shopping in the Green Market?

1) _____

Why shouldn't you worry about holes in vegetables?

2) _____

According to Mr. Anthony, what happens when you support local agriculture?

3) _____

4) **Finish Sara's sentence:** "Not only is it important to be _____ on the _____, but on the _____ as well. Gomi NYC is an East Village boutique dedicated to _____ sustainable materials with _____ fashion."

5) What did Gomi NYC specialize in when it started? _____ What has it evolved into? _____

6) **Finish Ms. Bernstein's sentence:** "Eco-friendly is sort of a really big _____. You have the _____ stuff, and then eco-friendly is more about what the _____ are. Something can be recycled, which is _____. You can have something that's _____. There are labels that you can look for on your _____ that will tell you _____ it's eco-friendly."

7) According to Ms. Bernstein, what don't you have to sacrifice to wear an eco-friendly product? _____

Discuss with a partner, or write in your listening journal::

- 1) **Have you ever purchased recycled or vintage clothes? How about used clothes? Do you think there is a difference?**
- 2) **Do you think food bought at a local or "farmer's" market is different from food bought at a grocery store? If so, how?**
- 3) **Would you spend more for organic food even if it tasted the same as cheaper supermarket food?**
